Mr. David Shepard
President
Board of Directors

Dear Mr. David Shepard:

The Board of Director's Safe School Policy requires that the School Leader provide the School's Board President a semi-annual written summary "limited to the number of verified acts of harassment, intimidation and bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events." Pursuant to this policy, we are reporting via this letter that your School has had 2 verified acts of harassment, intimidation, and bullying for the second half of the 2015-2016 school year from December 2015 through June 2016.

We appreciate all that you do for your school and will continue to follow Board Policy requirements on reporting.
