

Our Mission

Each educator at East Academy will work diligently to execute our school's academic and cultural expectations explicitly and with fidelity to ensure each scholar's educational needs are met.

Our Philosophy

East Academy is a vibrant learning community designed to meet scholars' different and unique learning needs, which will help prepare them for high school and college career readiness.

Our Program

Preparing students for the future is a colossal yet exciting task. East Academy takes great pride in giving our teachers and students the tools they need to achieve success. Our curricular resources are aligned with the Ohio Learning Standards. We view these standards as the road map to direct our students to their academic goals. By using the school's curriculum and progressive technology, we equip our staff and students to reach their fullest potential. The combination of dedicated people and resources demonstrates our ongoing commitment to give each child the best possible education.

Instructional Time

Our school provided 1,211 hours of instruction, which exceeds the 920 hours required by Ohio Law. This time excludes non-academic activities.

Students with Special Needs

East Academy provides a nurturing, inclusionary environment. We assist in preparing students with special needs to lead independent and productive lives. A free and appropriate public education is provided to every student.

East Academy is a community school established under Chapter 3314 of the Ohio Revised Code. The school is a public school and students enrolled in and attending the school are required to take proficiency tests and other examinations prescribed by law. In addition, there may be other requirements for students at the school that are prescribed by law. Students who have been excused from the compulsory attendance law for the purpose of home education as deemed by the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter, contact the school administration or the Ohio Department of Education. All information contained in this report was accurate to the best of our knowledge at the time of printing.
