Community School Sponsor

St. Aloysius, as the sponsor of this school, is legally mandated to provide oversight, monitoring, and technical assistance. As part of the monitoring process, the performance of the school on each of the required Ohio School Report Card components is assessed and evaluated. Additionally, St. Aloysius has a regular presence at school board meetings where student performance indicators such as attendance, behavior, and academic achievement are tracked and financial and organizational issues that impact student success are reviewed and discussed. Keys to oversight, monitoring, and support is St. Aloysius's review of the school's Ohio Improvement Process (OIP) plan development and implementation. As a result of our thorough oversight and monitoring, St. Aloysius has determined that this school is substantially compliant with the rules and regulations governing community schools. All community school sponsors are required to submit a written report of the evaluation results of the school's academic, financial and organizational performance, as well as the school's legal compliance, to the Ohio Department of Education. This report must be made available to parents of students enrolled in the community school by November 30th of each year (OAC 3301-102-05 (A) (3)). An Annual Report regarding the performance of this school and other schools under the sponsorship of St. Aloysius will be posted on our website www.charterschoolspec.com no later than November 30, 2019. Parents are urged to review this report, in addition to other monitoring and evaluation reports available through the school or the sponsor for a full understanding of the school's performance.
