15720 Kipling Avenue * Cleveland, OH 44110 * (216) 383-1214

Hybrid Learning Contract

You have chosen to have your student participate in school through the hybrid option during the first semester of the 2020-2021 School Year. Below are the expectations for learning with this option:

- Your child will be assigned two days a week to attend school and must be at school to get credit for being present. These days are *Tuesdays* and *Thursdays*. Your child will only be allowed to attend school on their assigned days and will not be allowed to attend on days that are not part of their schedule.
- Ensure your child’s regular attendance at school on their assigned days.
- Support homework as assigned.
- Communicate with your child’s teacher about their progress.
- Review the gradebook/PowerSchool regularly.
- During Virtual Learning days:
 - Students in grades K-8 will receive at minimum two hours of direct instruction with a teacher through the ACCEL Management Platform (AMP) each day they are working virtually. In addition to those two hours of direct instruction virtually with the teacher, there will be a minimum of 3.5 hours of additional independent work.
 - These times are scheduled in advance. It is expected that students attend these sessions so they can work directly with the teacher and their peers.
- All students will be required to log-in, engage with their teacher, and complete assignments to be counted for attendance purposes on their virtual learning days.
- Parents/Guardians will be responsible for ensuring that the school-owned Chromebook is well-cared for. In addition, parents/guardians will keep the school informed of any technology issues that may impede the student’s ability to complete their learning assignments.
- If your child is feeling ill, has a fever, or is exhibiting any signs of illness, they will be expected to stay home and cannot attend school, even if it is their assigned day.
- Your child’s temperature will be taken every morning upon arrival at school. If your child has a temperature above 100.4 or exhibits any signs of illness, you will be asked to come pick up your child immediately. If you do not pick up your child, you may be required to participate in the Virtual Learning Option for the remainder of the semester.
- Breakfast and lunch services will be provided for grab & go meals for the week on *Thursdays*. We will inform you once we set this up with our food service provider. Students will be given a lunch break daily.
- Students who have a confirmed case of COVID-19 must quarantine for 14 days and be symptom free before returning to school and provide evidence that they are no longer positive.

I agree with the **Hybrid Learning Contract** and understand my responsibility in participating in school this first semester option.
