

Attention Families: TRANSPORTATION UPDATE

Due to COVID-19, yellow bus rider availability is limited. Therefore, **students in Kindergarten through 6th Grade will be the only ones eligible to be transported on the yellow school bus in the 20-21 School Year.**

This means that siblings in 7th and 8th Grades who previously were able to ride with their younger siblings **will not be able to ride the yellow school bus.**

All students who qualify for transportation in 7th-8th Grades, will be offered the option of RTA Bus Passes. Please call East Academy if you have questions or need to change your learning option response due to this update. Thank you for your understanding.
